Correction

After publication of this work [1], we noted that we inadvertently failed to include the complete list of all coauthors. The full list of authors has now been added and the Authors' contributions and Acknowledgements section modified accordingly.

Authors' contributions

The whole work was carried out by CZ and supervised by JF. The experimental data was provided by KD.

Acknowledgements

This work was supported by the CARMAN e-science project funded by the EPSRC (EP/E002331/1) and an EU grant (BION).
