# Correction to: Evaluating the impact of topological protein features on the negative examples selection

Paolo Boldi<sup>†</sup>, Marco Frasca<sup>\*†</sup> and Dario Malchiodi<sup>†</sup>

**Correction to:** *BMC Bioinformatics* 2018, 19(Suppl 14):417  
<https://doi.org/10.1186/s12859-018-2385-x>

After publication of the original article [1], it was noticed that the dagger symbol indicating equal contribution wasn't added next to the names of all authors. The author list in this correction article has been modified to represent this correctly.

Published online: 17 December 2018
